

SEAN P MALEY

Department of Mathematics · SUNY Finger Lakes Community College · Canandaigua, NY

maleysp@gmail.com · 585-653-8551

EDUCATION

Ph.D. Candidate, Systems Science & Industrial Engineering

Binghamton University, SUNY

2024 – Present

Binghamton, NY

- Concentration: Complex Systems Science; research in Artificial Life and Complex Systems in Education
- GPA: 4.0

Master of Arts & Bachelor of Arts, Mathematics

SUNY Potsdam

2004 – 2009

Potsdam, NY

Mindfulness-Based Stress Reduction (MBSR) Teacher Qualification

Brown University School of Public Health, Mindfulness Division

2014 – 2019

Providence, RI

- Five-year graduate-level supervised certification program; internationally recognized credential

ACADEMIC POSITIONS

Associate Professor of Mathematics

SUNY Finger Lakes Community College

Sept 2010 – Present

Canandaigua, NY

- Teach the full mathematics curriculum from developmental algebra through multivariable calculus and differential equations, in online, hybrid, and in-person modalities
- Redesigned Ordinary Differential Equations as a modeling-focused course integrating Python
- Co-created MAT 135 (Quantitative Reasoning) and MAT 093 (Foundations of Quantitative Literacy); trained by Carnegie Foundation for the Advancement of Teaching, funded by SUNY Research Foundation
- Instrumental in redesigning the developmental algebra-to-calculus sequence
- Coordinator, Quantitative Literacy Project

Director, Center for Teaching and Learning

SUNY Finger Lakes Community College

Sept 2016 – Aug 2019

Canandaigua, NY

- Coordinated all faculty orientation and professional development across campus
- Planned and hosted multi-college “Jumping the Desk” teaching conferences
- Conducted peer course observations; managed budget and Planning Board
- Led integration of CTL with Professional Learning and Leadership Development (PLLD)

Adjunct Faculty, Technical Calculus I

Alfred State College

Dec 2023 – 2025

Alfred, NY

TEACHING

Courses Taught

SUNY Finger Lakes Community College

2010 – Present

Canandaigua, NY

- Ordinary Differential Equations (MAT 274)
- Multivariable Calculus (MAT 273)

- Integral Calculus (MAT 272)
- Differential Calculus (MAT 271)
- Pre-Calculus (MAT 152)
- Quantitative Reasoning (MAT 135)
- Statistics I (MAT 121)
- The Math of Money (MAT 110)
- Seminar: Infinite Powers (MAT 100)
- Algebra & Intro to Functions (MAT 097)

SCHOLARSHIP

Research & Publication

- Maley, S., Kauffman, S., & Gershenson, C. “Life Finds a Way.” Paper presented at the Conference on Complex Systems (CCS 2025), Siena, Italy. Manuscript under review, *Journal of Theoretical Biology*.

Grants

- **CTL Scholarship of Teaching & Learning (SoTL) Grant** 2023–24
Researched equitable access to course technology; provided graphing calculators to high-risk students at no cost; measured impact on student success and self-reported financial stress.
- **SUNY Research Foundation — Quantway Project** 2016
Funded Carnegie Foundation training for MAT 093/135 course creation team; served as Faculty Facilitator coordinating implementation across the department.

Peer Review

- Ad hoc Reviewer, *New England Journal of Complex Systems* 2025

SERVICE

Professional & Disciplinary

- **Program Chair**, Northeast Regional Conference on Complex Systems (NERCCS 2026), University of Rochester 2026
- **Executive Committee**, Complex Systems Society — US Northeast Chapter 2025–

Departmental

- Developed AI-powered tool to convert handwritten in-class math notes to screenreader-accessible HTML 2025–26
- Converted department OER textbook to a fully accessible, zero-cost eBook using PreTeXt 2025–26
- Flipped classroom & full asynchronous video lecture development, MAT 273 & 274 2021–22
- Online course proctoring research & implementation (multi-school) 2019–
- Faculty Facilitator, MAT 135 Quantway Project 2017–18
- Facilitator, MAT 095/097 Course Materials Workgroup 2016
- Mentor & Tenure Team Facilitator, Jodi Merklinger 2015–
- MAT 097 Adjunct Liaison 2015–
- Math Department Search Committee 2015, 2016, 2020, 2022, 2023
- Activities Day Coordinator 2015–

College-Wide

- **Chair**, Faculty Development Committee 2023–26

- PSY 245: Mindfulness in Psychology — Course Development (with Psychology Dept.) 2023–
- CTL Faculty Mentoring Forum: “Building a Culture of Integrity” — Presenter 2024
- Opening Days: “Slowing Down and Tuning In” — Presenter 2024
- Faculty Development Committee, Member 2022–23
- FYE Advisory Board, Member 2022–
- Faculty Panel on Student Success, Board of Trustees 2022
- Assessment Committee, Member 2020–
- MTG Club, Faculty Advisor 2020–24
- Online Class Evaluation Form — Lead Author (Tenure Team Oversight Committee) 2021–22
- Mindfulness For Beginners — Lead Teacher (weekly, open to all) 2018–22
- Mindful Lakers — Weekly eNews contributor 2021–
- **Co-Chair**, Tenure Team Oversight Committee 2017–19
- **Finance Chair**, Faculty Alliance Executive Team 2015–18
- President’s Task Force for Persistence 2015
- Alternative Therapies Guest Speaker (MBSR in mind-body medicine, Nursing/Massage programs) 2015–17
- CTL Planning Board, Member 2013–16
- Curriculum Committee, Department Representative 2011–12

Community

- Annual “Ask Me Anything” with Honeoye High School pre-calculus students (virtual) 2019–
- RIC Retreat — MBSR instruction for district superintendents & curriculum coordinators 2022
- Intro to MBSR, 4-week course — Penfield Recreation Center Wellness Program 2023
- Regional Education Consortium — Classroom exchanges with regional high school teachers 2015–16
- CUNY Transition Course Initiative — Co-created college-prep course for non-STEM 12th graders 2015

AWARDS & RECOGNITION

- SUNY FACT2 Award** for Excellence in Online Instruction 2020
- Promotion** to Rank of Associate Professor 2018

PROFESSIONAL DEVELOPMENT & AFFILIATIONS

Selected Conferences & Presentations

- Northeast Regional Conference on Complex Systems (NERCCS 2026), University of Rochester — Program Chair 2026
- Conference on Complex Systems (CCS 2025), Siena, Italy — Presenter 2025
- SCUDEM (SIMIODE Challenge Using Differential Equations Modeling) — Judge 2023
- PODNetwork Professional & Organizational Development Conference, Montreal — Participant 2017
- Carnegie Quantway Winter Institute, Stanford, CA — Participant 2017
- SUNY Pathways Summer Forum, Albany, NY — Participant 2016, 2017
- NYSMATYC Annual Conference, Kingston, NY — Presenter 2016
 - “The Fuzzy Minded Approach to Continuity”
- Association for Contemplative Mind in Higher Education Conference, Amherst, MA 2016

- Search Inside Yourself Leadership Institute, University of Toronto 2015

Professional Affiliations

- Complex Systems Society, US Northeast Chapter — Executive Committee 2025–
- Systems Science Explorer — Santa Fe Institute 2023–
- PODNetwork Mindfulness & Contemplative Pedagogy SIG — Publications Director 2017–
- Mathematical Association of America (MAA) — Member & Campus Liaison 2014–
- SIGMAA-WEB (MAA Special Interest Group, Web-Based Mathematics Instruction) 2014–
- NYSMATYC — Member & Campus Liaison 2014–
- Academy for Inquiry Based Learning (AIBL) 2014–
- Association for Contemplative Mind in Higher Education (ACMHE) 2016–
